# Newborn Hearing Loss – The Importance of Early Detection and Support to Parents and Families

## Satellite Conference and Live Webcast

Wednesday, August 26, 2020, 1:00-3:00 p.m. (Central Time)

2:00-4:00 p.m. (Eastern) ■ 12:00-2:00 p.m. (Mountain) ■ 11:00 a.m.-1:00 p.m. (Pacific)

*Identifying hearing loss as early as possible and providing timely and appropriate audiological, educational and medical intervention is important to a child's development. In this program, participants will learn the process of newborn hearing screenings, national guidelines, and the role of care coordination services; as well as hear from two mothers of children identified with hearing loss.*
